OUR NEW PARTNERS

OUR NEW INITIATIVES

CARLE MOBILE HEALTH CLINIC

The Foundation is partnering with United Way, Carle, the Laborers International Union of North America, with each putting in \$100,000 toward the funding of a new Carle Mobile Health Clinic. The partnership also hopes to engage our local governments to step up and contribute as well.

This full \$750,000 investment will provide full-service medical care for infants, children, and adults in underserved communities throughout McLean County. This new Mobile Health Clinic will be wheelchair accessible, have two examination rooms, and a dedicated staff. The staff will provide chronic-condition screening and education, treatment of acute illness, basic wellness care and assessments, school physicals, basic lab testing, social support, and work alongside other community partners.

The new clinic will be built and delivered in late 2022 or early 2023. The Mobile Health Clinic will be dedicated to operating in McLean

County, with Western Avenue Community Center will be its home base.

WESTERN AVE COMMUNITY CENTER

The foundation highly values its relationship with Western Avenue. This non-profit organization which offers many programs to support members of our community is a staple in our community. The Tinervin Family Foundation has pledged \$200,000 providing new Building Signage, Landscaping, Website Design and more.

We are also helping to improve their day-to-day operations by introducing new technology, improved accounting practices and more to make things more efficient. This means we can better handle doner's money and create new partnerships.

New 3.7 million dollar building expansion will promote current and future initiatives resulting in building youth and family. Community-based team will oversee community-based fundraising and construction of new expansion. This center is the launching pad to help the youth and families, we can't reach and help as many people on the west-side of Bloomington without Western Ave. Community Center. The part of our community is where help is needed the most.

UNITED WAY WORKFORCE 180 PROGRAM

The Tinervin Family Foundation is contributing \$16,000 and sponsoring a student in UW's Workforce 180 program. The program helps students with things like tuition, transportation, and daycare. It is designed to help participants develop skills and experience to enter the workforce and become self-sufficient and thriving individuals. The United Way is actively looking for more sponsors to participate in the program.

MISSION STATEMENT

The Tinervin Family Foundation is dedicated to positively impacting underserved individuals and families in our community by supporting programming opportunities and increasing access to resources through intentional partnerships focused on improving the quality of life.

OUR VISION

We are committed to promoting access and positive change as well as enriching the lives of others through broad-impact community outreach.

CURRENT PROGRAMS

Mobile Food Distribution

We continue to partner with with the Midwest Food Bank and the United Way of McLean County for this initiative to produce 1,400 - 1,900 food boxes per month. During the Covid-19 pandemic, we were up to 2,400 per month. Our mobile food distribution continues to expand, we now deliver food boxes to the following locations:

- The Labyrinth House
- Boys and Girls Club / Champaign
- Carle Healthy Beginnings / Champaign
- Neville House
- Woodhill Towers
- Mayors Manor
- Wesley United Methodist Church
- Mt. Pisgah Baptist Church
- Western Avenue Community Center
- Holton Homes
- Rural and local school districts

Adopt a Family

Families are selected by organizations based on financial hardship and need—need for themselves, their children and their homes. During 2021, 59 families were adopted! Twenty-one were sponsored by donors and the rest were sponsored by the TFF.

Christmas Food Baskets

In December 2021, in partnership with the United Way of McLean County, we delivered about \$95,000 worth of Christmas food boxes (nearly 2,700 boxes).

Shoes for Kids

This year we handed out 358 pairs shoes to kids in need during the Christmas season. We had 206 pairs of shoes donated by golfers at this year's event and the TFF purchased an additional 152 pairs.

MCCA

The foundation donated \$2500 to MCCA and Neville House for their domestic violence fundraiser. Our ongoing relationship continues to expand, we are very proud to be the recipient of the 2020 MCCA Innovator Award.

Toy Drive

For over 20 years, the Tinervin Family Foundation has provided toys, clothing and other gifts to boys and girls in our local community during the Christmas season.

Halfway House for Alcohol and Drug Recovery

The Tinervin Family Foundation has purchased a home for those in need of drug and alcohol recovery. This helps them adjust to life in general society.

Support for Healthy Beginnings

Carle's Healthy Beginnings program works to ensure children and families have an opportunity to be as healthy and prosperous as they can. This year TFF donated 15 car seats and 15 bus passes to the program. TFF also distributes 125 food boxes per month for their program.

Western Ave. Community Center:

This non-profit organization which offers many programs to support members of the community is essential to the west-side of Bloomington. Tinervin Family Foundation has pledged \$200,000 providing new signage, landscaping, building maintenance and more for their building. We also produced and launched a new website for the center which will not only improve user experience but will also help with new fundraising.
