communities throughout McLean County. The Mobile Health Clinic will be dedicated to operating in McLean County, with Western Avenue Community Center will be its home base.

The foundation highly values its relationship with Western Avenue. This non-profit organization which offers many programs to support members of our community is a staple in our community. The Tinervin Family Foundation has pledged \$200,000 providing new Building Signage, Landscaping, Website Design and more.

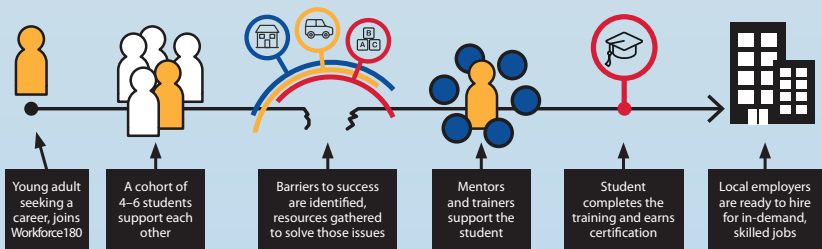

We are also helping to improve their day-to-day operations by introducing new technology, improved accounting practices and more to make things more efficient. This means we can better handle doner’s money and create new partnerships.

New 3.7 million dollar building expansion will promote current and future initiatives resulting in building youth and family. Community-based team will oversee community-based fundraising and construction of new expansion. This center is the launching pad to help the youth and families, we can’t reach and help as many people on the west-side of Bloomington without Western Ave. Community Center. The part of our community is where help is needed the most.

MCCA

Halfway House for Alcohol and Drug Recovery

The Tinervin Family Foundation has purchased a home for those in need of drug and alcohol recovery. This helps them adjust to life in general society.

Support for Healthy Beginnings

Carle's Healthy Beginnings program works to ensure children and families have an opportunity to be as healthy and prosperous as they can. This year TFF donated 15 car seats and 15 bus passes to the program. TFF also distributes 125 food boxes per month for their program.

Western Ave. Community Center:

This non-profit organization which offers many programs to support members of the community is essential to the west-side of Bloomington.
