## THIRD ANNUAL GOLF CLASSIC

### 2018 Christmas Food Baskets

We distributed 1000 food baskets that included a turkey and ham during the Holiday season.

This year we will distribute 1500 Holiday Food Baskets.

Friends,

The last two years, it has been a privilege to inform you and members of our community about the establishment of the Tinervin Family Foundation. Through your help and participation in our first two annual golf events, we have been able to begin turning our mission into reality.

This past year, we were able to expand our Christmas food basket distribution from 500 to 1,000 and have set a new goal of 1,500 baskets for 2019. We also continued with our Toy Drive, Giving Tree and Adopt a Family programs providing gifts to those in need throughout our community during the Holiday season. Furthermore, we were able to maintain our ownership of a drug and alcohol halfway house, making necessary physical improvements to the house ensuring its accessibility to our local recovering community.

The Foundation has been busy working to enhance our current programs and initiatives by expanding our partnerships. It is through these valued partnerships that we are able to increase resource access to underserved children and families in our community. The Foundation will continue to partner with The Boys & Girls Club and the Midwest Food Bank for our mobile food distribution programs. This year, we have added new partners to assist this mobile food distribution operation; Bloomington-Normal Housing Authority, Healthy Beginnings, Wesley Methodist Church and Ryan Dallas Realty. We are delivering food directly to underserved neighborhoods, eliminating barriers for people who may not have adequate transportation to access local food pantries. The Boys & Girls Club, Woodhill Towers, Wesley Methodist Church and Healthy Beginnings are our current distribution locations. As the year goes on, we are hopeful to expand this program to other locations. We currently are delivering over 800 boxes a month at these locations.

We did collaborate with Habitat for Humanity of McLean County in building two houses. In partnership with some local Methodist Churches, we co-sponsored our first home in addition to a second home, that was occupied by a veteran and his family this spring.

We are pleased to have been able to accomplish all of these initiatives without any paid employees or office expenses, as all services essential to running the Foundation have been donated. Therefore, every dollar raised through this Foundation event will go directly to our community in need. I personally will continue to match any money raised at the event. Last year we raised over \$150,000 and I matched that amount.

I have been overwhelmed by the amount of individual and community support we have received this year. I want to thank all our participants, especially our corporate sponsors from last year's event, and encourage you to please mark your calendars to attend the Third Annual Golf Classic. While this event not only helps us financially, it also has prompted tremendous awareness of our mission and initiatives. Please extend an invitation to your friends, family, clients, and employees to join us at this year's event.

At last year's event we collected 300 pairs of tennis shoes for kids. The Foundation purchased an additional 200 pairs. These 500 pairs of tennis shoes were distributed at Christmas. We will be continuing our shoe drive at this year's event. The shoes will be distributed Christmas of 2019.

I want to thank you in advance for your participation in this event which will help strengthen and enrich our community.

Thank you,

Jeffrey M. Tinervin  
Director, Tinervin Family Foundation

## MISSION STATEMENT

The Tinervin Family Foundation is dedicated to positively impacting underserved families in our community by supporting programming opportunities and increasing access to resources through intentional partnerships focused on improving the quality of life.

## OUR VISION

We are committed to promoting access and positive change as well as enriching the lives of others through broad-impact community outreach.

## VALUES

### Integrity

- We value and understand the importance of honesty, authenticity, and accountability.

### Partnerships

- We are dedicated to consistently seeking out opportunities that will be beneficial to all our partners and stakeholders.

### Commitment

- We value quality over quantity by setting realistic goals and creating relative benchmarks to meet them.

### Community

- We appreciate the value and diversity of our community and strive to support and serve those within it.

## CURRENT PROGRAMS

### Mobile Food Program

The foundation has been providing food to those in need through our mobile food pantry. Currently, we distribute approximately 800 food boxes a month to Boys & Girls Club/Sunnyside, Woodhill Towers, Wesley United Methodist Church and Healthy Beginnings. We plan to add other distribution sites in the near future.

### Habitat for Humanity

During the past year we partnered with local Methodist churches to help fund a Habitat for Humanities home. We also were able to donate money to help build a home for a veteran and his family. The Tinervin Foundation donated \$20,000 to each Habitat home.

## Healthy Beginnings

Recently, we donated money to The Healthy Beginnings program to fund parenting classes for an entire year. This program helps at risk pregnant women including teens and the underserved population. This is another location where we deliver food boxes monthly.

## Cedar Lakes

The foundation was able to donate to The Cedar Lake Fellowship to rebuild their parking lot. By updating this, we are helping to contribute to the addiction and recovery community in Bloomington and ensure they continue to have a place to meet.

## Shoes for Kids

Tennis shoes are an essential item for kids of all ages and many people have a hard time affording them. In 2018, our golf fundraiser raised 300 pairs of shoes. The foundation then bought 200 more pairs of shoes. We were able to donate approximately 500 pairs of shoes to various organizations in the community based on their needs. We plan to do an annual shoe drive each year, and this year we partnered with our local Shoe Carnival for special discounts! See banner on page 14 for more information.

## Adopt a Family

Families are selected through various organizations. Families in need are picked by organizations who they feel have financial hardships and are in need of items for themselves, children and their homes.

## Toy Drive

For over 20 years, the Tinervin Family Foundation has provided toys, clothing and other gifts to boys and girls in our local community during the Christmas season. Each year we continue to expand by collecting more toys during the holiday season to distribute to our community partners.

## Halfway House for Alcohol and Drug Recovery

The Tinervin Family Foundation has purchased a home for those in need of drug and alcohol recovery. This helps them adjust to life in general society.

## A WORD FROM OUR SPONSOR:

We at First Site are pleased to be involved with The Tinervin Family Foundation and the Foundation's Third Annual Golf Classic. The Tinervin family has a strong commitment to the members of the community. By prioritizing assurance to improving the quality of life for underserved families, the foundation continues to successfully enhance the lives of others. It is events like the Golf Classic that help ensure the families The Tinervin Family Foundation work with, obtain the support and resources they need.

It is my pleasure to extend our continued support for The Tinervin Family Foundation. It is an honor to participate in fundraising events like the Foundation's Annual Golf Classic.

Ulises Napoles, Vice President
