Mobile Medical Clinic

Expected to be operational in 2023! It's essentially an entire clinic on wheels, which includes the physician, the practitioner, the social worker, and the medical assistant. It can do anything you can do in a bricks and mortar building.

2022: EXPANDING OUR IMPACT INTO OUR LOCAL COMMUNITY

What a year! Thank you to our amazing volunteer network, our devoted financial supporters, and our strategic partners! While we continued providing food through our mobile food pantry (about 10,500 boxes in 2022), we've also spent the past year focused on ventures to move beyond food needs and into providing healthcare access to underserved populations in our local area.

The mobile medical clinic is just about ready to roll and was funded this year through a partnership between TFF (\$150k), United Way of McLean County (\$150k), Laborers' Local 362 (\$100k), City of Bloomington (\$150k), Town of Normal (\$100k), and McLean County (\$100k), with Carle supplying personnel and handling ongoing operational expenses.

The TFF also pledged the Western Avenue Community Center \$150,000 for new signage, landscaping and other building upgrades and an additional \$50,000 for its operating budget in 2022 and an additional \$100,000 for 2023. WACC is a non-profit organization that offers programs to support youth, seniors and immigrant members of our local community.

This Christmas, in partnership with the United Way of McLean County and Laborers' Local 362, we delivered about \$114,000 worth of Christmas food boxes (more than 2,500 boxes).

The Tinervin Family Foundation's mission has always been to positively impact underserved families in our community by supporting program opportunities and increasing access to resources through partnerships focused on improving quality of life. In line with our mission, look to 2023 for the roll out of the Mobile Medical Clinic as well as a parking lot expansion and facilities remodel for the WACC! 2023 will be a big year!

6TH ANNUAL TINERVIN GOLF CLASSIC – SEPTEMBER 12TH, 2022

In 2022, through your participation in our 6th annual golf event, we have been able to continue turning our mission into reality. The Tinervin Golf Classic was a resounding success! The event raised around \$302,000 between sponsors, auction, and donations, a little more than \$30,000 more than last

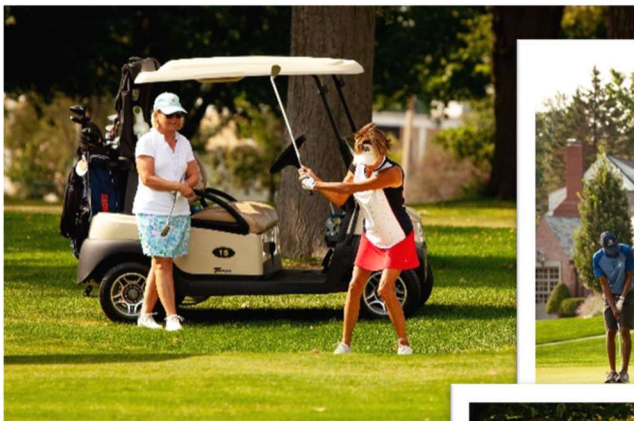

year! In addition, Jeff Tinervin matched the money raised with his own donation!

We continue to provide our services and initiatives without paid employees or office expenses, so every dollar raised during this event goes directly to our community in need. This event helps us continue providing critical services to the community and helps generate tremendous awareness of our mission and initiatives.

PROGRAM HIGHLIGHT – ADOPT A FAMILY

2022 Client family with their Christmas gifts

For the past five years, the Tinervin Family Foundation has sponsored the Adopt A Family program. This program identifies families that might otherwise not have the ability to have a Christmas and provide them with household items, clothing, and other essential items they can't obtain themselves.

Families are chosen from programs the Foundation partners with throughout the year including: Healthy Beginnings, District 87/Unit 5 schools, Milestones daycare., Western Avenue Community Center, and MCCA. This year we adopted 69 families!

ADOPT A FAMILY

Families are selected by organizations based on financial hardship and need—need for themselves, their children and their homes. During 2022, 69 families were adopted! Twenty-two were sponsored by individual and company donors and the rest were sponsored by the TFF. Some individuals donated money for presents and some donated their time shopping for presents!

SUPPORT FOR HEALTHY BEGINNINGS

Carle's Healthy Beginnings program works to ensure children and families have an opportunity to be as healthy and prosperous as they can.

MCCA

The foundation donated \$2,500 to MCCA and Neville House for their domestic violence fundraiser. Our ongoing relationship continues to expand, and we are very proud to be the recipient of the 2020 MCCA Innovator Award.

WESTERN AVENUE COMMUNITY CENTER

UNITED WAY WORKFORCE 180 PROGRAM

The Tinervin Family Foundation and First Site are each contributing \$8,000 and sponsoring a student in UW's Workforce 180 program. The program helps students with things like tuition, transportation, and daycare. It is designed to help participants develop skills and experience to enter the workforce and become self-sufficient and thriving individuals. The United Way is actively looking for more sponsors to participate in the program.
