Adopt a Family

Families are selected by organizations based on financial hardship and need—need for themselves, their children and their homes. During 2021, 59 families were adopted! Twenty-five were sponsored by donors and the rest were sponsored by the TFF.

Christmas Food Baskets

In December 2022, in partnership with the United Way of McLean County, we delivered about \$95,000 worth of Christmas food boxes (nearly 2,500 boxes).

Shoes for Kids

This year we handed out 256 pairs shoes to kids in need during the Christmas season. We had 90 pairs of shoes donated by golfers at this years event and the TFF purchased an additional 166 pairs.

MCCA

The foundation donated \$1000 to MCCA and Neville House for their domestic violence fundraiser. Our ongoing relationship continues to expand, we are very proud to be the recipient of the 2020 MCCA Innovator Award. In 2023, we also provide food boxes to MCCA.

Toy Drive

For over 20 years, The Tinervin Family Foundation in partnership with First Site has provided toys, clothing and other gifts to boys and girls in our local community during the Christmas season.

Support for Healthy Beginnings

Carle's Healthy Beginnings program works to ensure children and families have an opportunity to be as healthy and prosperous as they can. This year TFF donated 15 pack and plays and 15 bus passes to the program. TFF also distributes 115 food boxes per month for their program.

Western Ave. Community Center:

This non-profit organization which offers many programs to support members of the community is essential to the west-side of Bloomington. Tinervin Family Foundation has pledged \$200,000 providing new front desk/reception area, signage, landscaping, building maintenance and more for their building. We also produced and launched a new website for the center which will not only improve user experience but will also help with new fundraising. Earlier this year, the foundation also added \$100,000 to Western Avenue's 2023 operating account.

CONTRIBUTING PARTNERS

OUR NEW PARTNERS

OUR NEW INITIATIVES

CARLE MOBILE HEALTH CLINIC

The Tinervin Family Foundation, United Way of McLean County and the City of Bloomington each contributed \$150,000 to help purchase a new clinic for McLean County along with help from the Town of Normal, McLean County and Laborers International Union of North America, who each generously donated \$100,000. Their generosity helped fund a new, 40-foot mobile clinic that will begin serving Bloomington-Normal area families in spring of 2023. Western Avenue Community Center will be one of its stops. This \$750,000 investment will provide full service medical care for infants, children and adults in Bloomington's west side and surrounding areas.

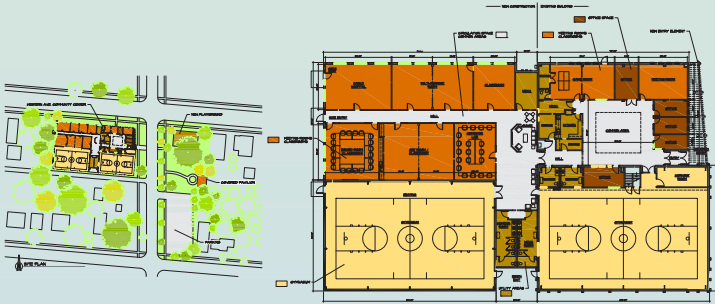

WESTERN AVE COMMUNITY CENTER

The foundation highly values its relationship with Western Avenue. This non-profit organization which offers many programs to support members of our community is a staple in our community. The Tinervin Family Foundation has pledged \$200,000 providing new Front Desk/Reception Area, Building Signage, Landscaping, Website Design and more. Recently, the foundation also added \$100,000 to Western Avenue's 2023 operating account.

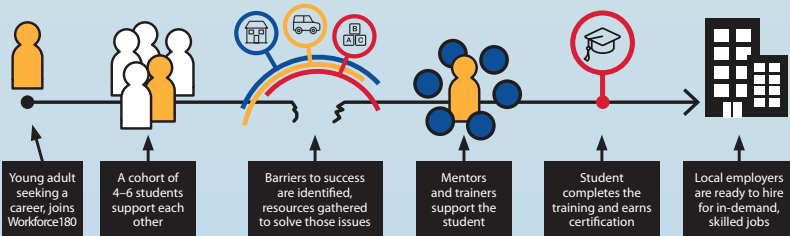

We are also helping to improve their day-to-day operations by introducing new technology, improved accounting practices and more to make things more efficient. This means we can better handle doner's money and create new partnerships.

New 4.5 million dollar building expansion will promote current and future initiatives resulting in building youth and family. A community-based team will oversee community-based fundraising and construction of new expansion. This center is the launching pad to help the youth and families. We can't reach and help as many people on the west-side of Bloomington without Western Ave. Community Center. That part of our community is where help is needed the most.

UNITED WAY WORKFORCE 180 PROGRAM

The Tinervin Family Foundation has contributed \$24,000 by sponsoring students in UW's Workforce 180 program. The program helps students with things like tuition, transportation, and daycare. It is designed to help participants develop skills and experience to enter the workforce and become self-sufficient and thriving individuals. The United Way is actively looking for more sponsors to participate in the program.
