## FOURTH ANNUAL GOLF CLASSIC

### 2019 Christmas Food Boxes

We distributed 1250 food boxes in addition to 2000 hams/turkeys during the Holiday season.

This year we will distribute 1500 Christmas Food Boxes.

"The Tinervin Family Foundation is truly amazing. It is difficult to share in words how truly blessed the Boys & Girls Club of Bloomington-Normal is to have the TFF as a partner. Through our partnership, we have provided thousands of children and families the access to programs and resources that meet many of their most basic needs. Real, lasting change takes collaboration, big ideas and bold action. We are honored to stand shoulder to shoulder with the TFF in making a real impact for the future of our community that can be seen, heard, felt and proven. Thank you to everyone who is involved and supports the Tinervin Family Foundation."

Tony Morstatter  
Chief Executive Officer  
Boys & Girls Club of Bloomington-Normal

Friends,

The last three years, it has been a privilege to inform you and members of our community about the establishment of the Tinervin Family Foundation. Through your help and participation in our first three annual golf events, we have been able to turn our mission into reality.

This past year, we were able to expand our Christmas food basket distribution from 1,000 to 1,250, with 2,000 hams and turkeys and have set a new goal of 1,500 baskets for 2020. We also continued with our Toy Drive, Giving Tree and Adopt a Family programs providing gifts to those in need throughout our community during the Holiday season. Furthermore, we were able to maintain our ownership of a drug and alcohol halfway house, making necessary physical improvements to the house ensuring its accessibility to our local recovering community.

The Foundation has been busy working to enhance our current programs and initiatives by expanding our partnerships. It is through these valued partnerships that we can increase resource access to underserved children and families in our community. The Foundation will continue to partner with the Midwest Food Bank for our mobile food distribution programs. This year, we have added new partners to assist this mobile food distribution operation; Orlando Avenue Apartments, Boys & Girls Club of Champaign and Healthy Beginnings at Carle Clinic. We are delivering food directly to underserved neighborhoods, eliminating barriers for people who may not have adequate transportation to access local food pantries. The Boys & Girls Club of Bloomington, Woodhill Towers and Wesley Methodist Church are our current Bloomington distribution locations. As the year goes on, we are hopeful to expand this program to other locations. We currently are delivering 1,200 boxes a month at these locations.

We are pleased to have been able to accomplish these initiatives without any paid employees or office expenses, as all services essential to running the Foundation have been donated. Therefore, every dollar raised through this Foundation event will go directly to our community in need. I personally will continue to match any money raised at the event. Last year we raised \$182,000. I matched that amount and wrote an additional check for \$120,000 on December 31, 2019 for a total of \$300,000 in 2019.

Due to the Coronavirus shutdown, we have seen an increased need of food and support for our community families. We are thankful to have been able to meet that need, thanks to our amazing volunteers and partners. Throughout the year, we plan to expand our mobile food operations in an effort to meet the increased demand. We will need your financial support to help fill this endless need!

I have been overwhelmed by the amount of individual and community support we have received this year. I want to thank all our participants, especially our corporate sponsors from last year's event, and encourage you to please mark your calendars to attend the Third Annual Golf Classic. While this event not only helps us financially, it also has prompted tremendous awareness of our mission and initiatives. Please extend an invitation to your friends, family, clients, and employees to join us at this year's event.

At last year's event we collected 250 pairs of tennis shoes for kids. The Foundation purchased an additional 300 pairs. These 550 pairs of tennis shoes were distributed at Christmas. We will be continuing our shoe drive at this year's event. We want everyone to bring at least one pair of name-brand tennis shoes to our Reception & Auction September 13, 2020. The shoes will be distributed Christmas of 2020.

I want to thank you in advance for your participation in this event which will help strengthen and enrich our community.

Thank you,

Jeffrey M. Tinervin  
Director, Tinervin Family Foundation

## MISSION STATEMENT

The Tinervin Family Foundation is dedicated to positively impacting underserved families in our community by supporting programming opportunities and increasing access to resources through intentional partnerships focused on improving the quality of life.

## OUR VISION

We are committed to promoting access and positive change as well as enriching the lives of others through broad-impact community outreach.

## VALUES

### Integrity

- We value and understand the importance of honesty, authenticity, and accountability.

### Partnerships

- We are dedicated to consistently seeking out opportunities that will be beneficial to all our partners and stakeholders.

### Commitment

- We value quality over quantity by setting realistic goals and creating relative benchmarks to meet them.

### Community

- We appreciate the value and diversity of our community and strive to support and serve those within it.

## CURRENT PROGRAMS

### Mobile Food Program

We continue to partner with the Midwest Food Bank for this initiative to produce 1,000 – 1,200 food boxes per month. Our mobile food distribution continues to expand, we now deliver food boxes to the following locations:

- The Labyrinth House
- Boys and Girls Club / Champaign
- Carle Healthy Beginnings / Champaign
- Boys and Girls Club / Bloomington
- Neville House
- Woodhill Towers
- Wesley United Methodist Church

### Carle Healthy Beginnings / Champaign

Recently, we donated money to The Healthy Beginnings program to fund parenting classes for an entire year. This program helps at risk pregnant

women including teens and the underserved population. This is another location where we deliver food boxes monthly.

## Shoes for Kids

In addition to the 250 shoes donated by our guests at the 2019 TFF Reception, The Tinervin Family Foundation purchased 300 shoes. A total of about 550 shoes were handed to kids in need during the Christmas season. We plan to do an annual shoe drive each year, and this year we partnered with our local Shoe Carnival for special discounts! See banner on page 14 for more information.

## Adopt a Family

Families are selected through various organizations. Families in need are picked by organizations who they feel have financial hardships and are in need of items for themselves, children and their homes. We had 10 individuals and families who enrolled to adopt a family at the TFF Reception last year. In addition, the TFF adopted 15 more families! The demand for this kind of assistance in our community continues to grow.

## MCCA

The foundation donated to MCCA to repair their leaky roof and other water damage in their facility. Our ongoing relationship continues to expand, we are very proud to be the recipient of the 2020 MCCA Innovator Award.

## Toy Drive

For over 20 years, the Tinervin Family Foundation has provided toys, clothing and other gifts to boys and girls in our local community during the Christmas season. Each year we continue to expand by collecting more toys during the holiday season to distribute to our community partners.

## Boys & Girls Club Be Great Breakfast 2019

The Tinervin Family Foundation, along with Morris Packaging, co-sponsored this great event by each donating \$10,000. Over 900 people attended the annual breakfast at The Marriott in Uptown Normal.

## Halfway House for Alcohol and Drug Recovery

The Tinervin Family Foundation has purchased a home for those in need of drug and alcohol recovery. This helps them adjust to life in general society.

## A WORD FROM OUR SPONSOR:

InsureChampaign and their prior companies have had a long involvement with helping outstanding individuals help others. To be able to help the Tinervin Foundation with their first class community programs that benefit others makes us especially proud. The donation given to this event allow us to help one group of people, who then in turn help others tenfold. The community as a whole, and especially those within the community who benefit from the Tinervin Foundation are extremely blessed to have such a dedicated Foundation. We all are able to see the community benefits the Foundation does by being kept abreast of their work through the Foundation newsletters, announcements and reports. It is with deep gratitude that we are able to help the Tinervin Foundation, knowing that the causes they champion puts our dollars to the best possible use. Thank you to Jeff, and the Board of Directors for allowing us to be part of such a worthwhile endeavor.
